

# MONTGOMERY COUNTY

## DEMOCRATIC PARTY

### #BlueWave or #BlueRipple?

Everyone is expecting the "Blue Wave" to crash upon our shores in Ohio and sweep Democrats into power this November. After all, Republicans have essentially shut down state government because they can't pick a speaker, and created the biggest corruption scandal in state history with ECOT. But what seems like an obvious "wave" could turn out to be nothing more than a "trickle" if we do not each take action, today. While we have

record numbers of Democratic candidates running up and down the ticket, **they need our help.** Below you'll find contact information for our local campaigns as well as lists of what, specifically, they need help with. Look at what each campaign needs, and reach out to help. This is your official invitation to share your skills and talents! If we don't ALL get involved, the "Blue Wave" will be a "Blue Ripple"!
