DEMOCRATIC PARTY

June 2020

WE REJECT RACISM

The Montgomery County Democratic Party is repulsed by the senseless killing of an unarmed, black man, George Floyd. His death is just one more example of the systemic racial bias plaguing American communities.

Racism in every form is unacceptable and we expect our future and current elected leaders to speak and act against it EVERY day. As an organization, we stand with the protesters. We fight against racism in all forms including injustice, access, and privilege. We demand accountability when racism is exposed and encourage education so the spotlight never dims.

There isn't a way to end racism overnight, but through protest, donation, participation, and voting we make progress. Elections have consequences, and it is our duty to make sure our values are represented by elected leaders, legislation, and policy. Together we can make a difference.

CANDIDATES ARE ORGANIZING

Our endorsed Democratic candidates need your help. Our typical campaign strategies are adapting to maintain social distancing guidelines. If you are willing to host a virtual meet and greet and/or phone bank for one of our endorsed candidates, please contact them. Candidates and their contact information can be found at MontgomeryDems.org/Candidates

CHAIRMAN'S MESSAGE

There has never been a more important time for Democrats to vote, and elected Republicans are doing everything they can to make the process as complicated as possible.

In the last 100 days, our Tyrant-in-Chief has bungled the coronavirus pandemic, fanned the flames of hatred in the wake of protests against racism, and used authoritarian strongman tactics to clear peaceful protesters for a narcissistic photo op. Giving him an additional 1,460 days to torture our country is unacceptable.

Whether or not Joe Biden was your first choice, he is now our only hope to defeat this narcissistic, wannabe dictator and to advance our progressive values. Your right to make that choice is being threatened.

Regardless of the recent Republican-endorsed voter suppression, submitting an absentee ballot application will guarantee you get your opportunity to vote. Absentee voting is safe, efficient, and trustworthy.

Please take the time right now to submit an application for an absentee ballot to be mailed when Early Voting starts. Help us win in November by volunteering, sharing accurate information, and donating to our endorsed candidates.
